

GHBP Certification

City of Worcester – City Hall has met the extensive qualifications to earn the GCI Gold Certification as a Green and Healthy Building. In that this building has followed established Green cleaning standards that will be annually reviewed, the Green Clean Institute recognizes the ongoing efforts to provide a Green workplace to the benefit of workers, staff, and the public.

City of Worcester – City Hall has been awarded the Green and Healthy Building Partnership award based on 525 points earned in accordance of the Green Clean Institute standards for Green cleaning.

The Green Clean Institute awards the Green and Healthy Building Partnership award to:

City of Worcester – City Hall

Date: 6/05/2018 Expires: 6/06/2019
